Easter Sunday — April 1, 2018

THE LIGHT OF EASTER

In the first reading, Peter boldly and clearly proclaims the good news of Jesus' resurrection. Here it's important to observe that Peter, in the verses just before his speech, was profoundly disoriented by a vision. The vision, contrary to assumptions from his heritage, suggested that the Holy Spirit is inviting Gentiles, without obstacles, into the Jesus community. It began to dawn on Peter that the gospel is for everyone, without exception. The barriers between peoples were being blown open by the Spirit. Peter began to see a new and brighter world.

Most of us, most of the time, try hard to protect ourselves from being disoriented. Our traditions and past experiences keep us grounded and secure. However, often we grow in maturity and insight precisely because we are knocked off balance. God disrupts us enough to open us to what God wishes to teach us. We move from blindness to sight when we are first disoriented by the light, let go of the comfortable darkness, and open our eyes to new insight. As

we begin the Easter season, the light of Easter is indeed bright. Easter reveals a world of opportunities to care for others and an abundance of grace to guide and sustain us.
