Spread the Word

I used to take Jesus' saying at the end of today's Gospel (Luke 20:38) as a proof that God was just as present to me in the twenty-first century as the LORD was to Abraham thousands of years before the time of Christ. But people in Jesus' era had no conception of time as a dimension. The phrase "God of the living" means that the dead are alive again in the Resurrection. Why was it easier for the Sadducees to imagine the impossible--a woman wondering who her spouse is in heaven--than to imagine the Resurrection?

Even today, some people find it easier to imagine a romantic vampire than to believe in someone rising from the dead. Think about how much money and effort go into advertising one of those vampire movies. Do we see many people put that kind of enthusiasm into their faith?

Let's take a hint from advertising. I get very annoyed with ads that go on and on about how good their product is and how you can get two for \$10 (plus \$15 postage and handling). I'm more likely to buy a product a friend shows me that will do something useful. Why not spread the word like that? Be "useful" for God. Offer to help someone carry in their groceries or fill out their income tax forms. Be generous with your time. And if anyone asks why, you can tell them you are just grateful for what God has done for you. People aren't looking to be bored by another commercial. They are looking for signs of God's love that will lead them to faith.

Dear Family:

Today's readings reinforce our faith that beyond death there is life with God forever. In the Gospel, it is clear that not all Jews at the time of Jesus believed in the resurrection of the dead. The Sadducees were one such group and that is the reason for posing this question to Jesus in this passage. Jesus' answer is concise and to the point, "The God of Abraham, the God of Isaac, and the God of Jacob; and he is not God of the dead, but of the living, for to him all are alive." Jesus is referring to the story of Moses, who encounters God in the burning bush. God reveals his name to Moses as "I am...the God of Abraham, the God of Isaac, and the God of Jacob." The point Jesus makes is that God did not say, "I was their God," but that "I am their God." They are still alive because God is the God of the living, not of the dead. The very name of God "I AM" continues to hold them in existence. They are eternally alive because of God's eternal "I AM." God's name is the assurance that our faithful departed are alive in God.

Some questions for reflection:

How does God's name, "I AM," assure us that our faithful friends and relatives are alive in God?

How does your belief in the resurrection of the dead give meaning to your life?

How does Paul's prayer for encouragement speak to you in your life?

Please note that printed in our bulletin this weekend is our budget report and our plans for the coming year. This report was approved at our recent Finance Council Meeting. As you know, we work to be good stewards of all you offer us out of your spirit of generosity. I will be speaking to you this weekend about our financial needs. I pray that your hearts will be open and that your discernment about financial giving will be blessed. Again, thanks for your generosity.

Peace,

Fr. Greg Daigle
