Rejoicing in The Lord

In the first reading, Ezra gets a strange reaction from the people to whom he reads the book of the law. First they lie down, with faces to the ground, and then they all are weeping. Remember the background of this reading. The people of Israel had returned from exile and needed to become a unified nation. Many probably didn't know that they had been breaking the law. Others might have been overwhelmed with all the requirements of the law. Ezra and Nehemiah console the people by reminding them that their return makes this a day "holy to the Lord" (Nehemiah 8:10). He adds that they would get strength from "rejoicing in the Lord." That may be good advice for us also.

We might find ourselves so trapped in sin that we think we could never be forgiven. We need to remember that Jesus loved sinners so much, he gave his life on the cross to free us from sin. No sin can be so bad that God's love cannot forgive it. In fact, the more I have to repent, the more God wants to forgive. So we can rejoice in the Lord's forgiveness and the Spirit will give us the strength to change our lives.

*He taught in
their synagogues
& WAS PRAISED BY ALL*

And what about those who find the law overwhelming? That can be because we have forgotten Jesus' saying that all of God's laws are contained in the command to love God and love our neighbor as we love ourselves. The more we come to accept God's presence in our lives and see God in others, the easier it becomes to keep the law of love.

JOYOUS CHRISTMAS!!

We gratefully acknowledge the following holiday helpers for spreading Christmas joy:

- ◆ **Parish Open House** — To the Altar Society for hosting the Parish Open House at the rectory and to all the parishioners who attended.

- ◆ **Cards for Inmates** — To all of our parishioners and Mrs. Kirkland’s 2nd graders at St. John School who purchased and brought in Christmas cards for inmates.

Your generosity has made it possible for Deacon Alfred Ricard to take thousands of Christmas cards to the Louisiana State Penitentiary.

- ◆ **GEMS** — To GEMS coordinator Lorraine Hidalgo and partners who brought dishes, set up, and served Christmas joy to our parishioners at the Annual GEMS Christmas Social. A special nod is made to Gary Perrault for always accommodating the GEMS with set-up and assisting with whatever is needed!

- ◆ **Giving Tree** — To the Giving Tree volunteers, under the supervision of Dr. Katie Berthelot, who strive to provide the less fortunate children of our area with a happy Christmas every year.

We are grateful to our parishioners who provided over 300 gifts.

- ◆ **Visits to the Homebound** — To Joann Landry, Donna Purpera and volunteers who brought poinsettias and goodies to the homebound and nursing home residents.

From the Desk of the Business Manager/Bookkeeper

Thank you to all of you who have contributed to the “100 Years Capital Campaign” program. Your support is greatly appreciated! Many of you are including your donations in one check along with your other monthly donations (stewardship, maintenance and repairs, etc.). Please remember that your donation to the Capital Campaign should be made by separate check and not included with any other donation. This helps me to keep financial records of the parish “neat and tidy”.

Again, thank you for your support!

Community Coffee “Cash for Schools” Program

Please continue saving UPC labels from all Community Coffee products. St. John is able to raise thousands of dollars for classroom supplies through the Community Coffee “Cash for Schools” fundraiser.

You may bring your labels to the church office or put them in an envelope and drop it in the collection basket at any weekend Mass. We will see that the school receives them.

Thank you for supporting St. John School!!

The Sacrament of Confirmation Age Change

Frequently Asked Questions

It is often the case that youth and families simply stop coming to church after they “graduate” from Confirmation. Sometimes, Confirmation is the only thing keeping them in the Church through high school. Won’t lowering the age simply de-incentivize them to continue coming to church which will result in children leaving the Church earlier?

Often, we run the risk of using Confirmation as a “sacramental incentive” to keep youth and families involved through high school. In some parishes, the only thing offered to adolescents is Confirmation preparation. Many programs employ a school-based model for sacramental preparation which includes mandatory classes, and a checklist of requirements young people must complete in order to “earn” the sacrament much in the same way they “earn” graduation in school.

When the Sacrament of Confirmation is approached in these ways and not properly integrated into a long-term, comprehensive faith formation strategy aimed at equipping parents and facilitating discipleship, the result is often a “graduation” from parish life. That is why we cannot simply change the age and expect better results.
