

**Summer Programs for the Youth of St. John the Evangelist Church Parish Plaquemine,
LA**

Our Summer Programs will replace the Vacation Bible School. It is our intent to reach all our youth in the Church Parish. The schedule is set up to accommodate smaller groups and to focus more attention on each child's spiritual path through fun and fellowship. My source is the Pastoral Center. I also use bustedhalo.com, lifeteen.com and young-catholics.com.
